Paper Cup Sleeves/Insulators

Our cup sleeves fit our 10-20oz paper cups. Imprints are offered on one side. The sleeve will rest at different heights on the cup depending on the cup diameter. The dimpled surface sleeve offers improved gripping of the cup as well as a channel for heat to circulate.

Biodegradable Paper Cups

These cups use a corn based plastic as a moisture barrier rather than a petro chemical plastic. The BPI certified cup is fully compostable in commercial sites and requires less energy to produce. Each cup is preprinted in green horizontally along the bottom and vertically up the seam. Your logo will make a statement that you are committed to a sustainable approach.

Il n'y a pas de frais supplémentaires pour l'utilisation des couleurs d'encre standard.

Agencement de nuancier Pantone: l'agencement de couleurs d'encres de nuancier Pantone sur papier non couché est 40,00 \$ (G) par couleur. **NOUS NE GARANTISSONS PAS LES AGENCEMENTS DE NUANCIER PANTONE** en raison des variations de matériel de support, de couleurs de support, de l'interprétation des sources lumineuses, des niveaux de pH du papier, et du contenu recyclé des produits.

Expédition: Toutes les expéditions sont franco à bord Concord, ON.

Transporteurs: FedEx. Nous ne sommes pas responsables des délais de transport, des frais de courtage, des frais de douane/taxe ou des dommages aux produits une fois que les marchandises quittent notre usine. Toutes les réclamations doivent être faites par le distributeur au transporteur. Expéditions séparées @ 25,00 \$ (G) chaque emplacement. Les produits finis sont maximum tenu pendant 48 heures à la fin et seront facturés et embarqués au revendeur.

Paiement: nous acceptons Visa et Mastercard.

Échantillons: les échantillons sont gratuits. Nous encourageons les demandes d'échantillons afin d'éviter une représentation inexacte du produit. Tous les échantillons sont envoyés par poste ordinaire. Pour un service accéléré, veuillez fournir le nom de votre messagerie et votre numéro de compte.

Une quantité inférieure à minimum n'est pas offerte.

Une annulation ou changement de commande après réception des approbations finales sera facturée selon les coûts encourus. Les frais de retour sur les produits en blank sont de 30 %.

La taille, le prix et les descriptions de produits peuvent changer sans préavis en raison de la disponibilité.

En raison des huiles, résines, moules et colorants utilisés dans la fabrication, les produits peuvent varier en couleur, montrer des marques d'abrasion, des points ou des rayures sur l'image. Ceci est considéré normal et non une déféctuosité.

Standard Inks: Our standard uncoated ink colours are: Red 032, Black, White, Reflex Blue, Process Blue, Green 341, Pantone Yellow, Orange 21, Pantone Violet, Pantone Purple.

There is no extra charge for using standard ink colours.

PMS Match: Uncoated PMS ink colour match is \$40.00 (G) per colour. **WE DO NOT GUARANTEE PMS MATCHES** due to variations in substrate materials, substrate colours, light source interpretation, pH levels of paper, and recycled content in the products.

Shipping: All shipments are FOB Concord, ON. Carrier: FedEx. We are not responsible for freight delays, customs brokerage charges, duty/tax charges or product damages after the goods leave our factory. All claims are to be made by the distributor to the carrier. Split shipments @ \$25.00 (G) per location. Finished goods are held maximum 48 hours after completion and will be invoiced and shipped to the dealer.

Payment: We accept Visa and Mastercard.

Samples: Samples are free. We encourage sample requests to avoid product misrepresentation.

All samples are sent regular post. For expedited service, please provide your courier and your account number.

Less than minimum is not offered.

Cancellation/Changes of order after final approvals are received will be billed according to what costs have been incurred. Restocking fees on blank products are 30%. Special order and custom print items are non cancellable and non returnable.

Size, price, and product descriptions may change without notice due to availability.

Due to oils, resins, molds, and dye lots used in manufacturing, products could vary in colour, show abrasion marks, dots on the image or scratches. This is considered normal and not a defect.
